

Exclusive IGA Member Offer

Bespoke Laser Insulated Hybrid/EV Toolkit

Get your garage EV-ready with a bespoke Laser Insulated Hybrid/EV Toolkit created exclusively for IGA members, all at an incredible saving.

This 116-piece comprehensive set of tools, test instruments, PPE and signage provides the necessary equipment needed for a qualified EV technician to carry out repairs and maintenance on high voltage hybrid and electric vehicles safely.

All tools and safety products are contained in or attached to a dedicated 7 drawer cabinet, ensuring that nothing can accidentally go missing.

This bespoke toolkit has a total value of **£3,441** when sold separately, but is available exclusively to members of the Independent Garage Association for only **£1,775**, saving you a total of **£1,666** off the RRP.

See the full toolkit contents overleaf, and to find out more or order yours today, call the friendly IGA member helpline team on **01788 225 908**.

LASER[®]

Please Note: This offer is only available to garages able to produce a Hybrid/EV certificate of qualification for an employee at their company. Prices exclude VAT. This offer may be amended or withdrawn at any time and is subject to Force Majeure.
